

St. Patrick Parish Ministry Feature

Bereavement Ministry

The Bereavement Ministry focuses on assisting members of our Parish through the grieving process at the time of the loss of a loved one. Members of this group are present at Calling Hours and Services for the deceased and are available for counsel and prayer during the time of grieving. Members are also available for the planning process of the Funeral Mass or Memorial Service for the loved one at the request of the family. Anyone who would like further information or to become involved in this ministry should contact Chris & Jen Conway at (330) 759-2835 or call the Administration Building at (330) 534-1928.
