PASTOR'S COLUMN

Twenty-Second Sunday in Ordinary Time

Today's gospel reading opens with a well-known parable about the last being first. The entirety of the Christian message can be summarized by Jesus's words: *Everyone who exalts themselves will be humbled, but the one who humbles themselves will be exalted."* This is the message of the cross *par excellence*. Christ gives us a model of how we must lower ourselves so as to not cling to power or riches but to find strength in humility and lowliness. While this message takes the form of a parable, it might better be described as a wisdom saying or a foundation for one's approach to life. If our faith is a celebration of humility and lowliness, it is also a celebration of the vulnerable. There is something unsettling about vulnerability. Even the root meaning of the word suggests that it is something to avoid –*vulnus* which means "wound." Why would we want to open ourselves to being hurt? This is where we must make an important distinction. We know all too well that there are times when vulnerability, or the capacity to be physically or emotionally open, transparent, and even wounded, has been taken advantage of. Christ's invitation to humility and vulnerability is grounded in self-knowledge. This concept is so difficult to grasp because it seems to go against everything within us. Rather than climbing up the ladder of power and prestige, wealth and success, Christ invites us to descend, to lower ourselves, to understand and welcome our own weakness and wounds. Instead of exalting ourselves, Christ invites us to follow his example and humble ourselves.

It is hard to believe that the Labor Day holiday is this weekend. As summer begins to dwindle to just a few more weeks, remember to take advantage of the remaining nice warm and sunny days. Be sure to get outside, take a walk, and enjoy a cool glass of lemonade this coming week!

Make it a great week!

Father Balash

DID YOU KNOW…

It is always interesting to learn about our Church and how things came to be. Often the widespread understanding of a practice or element of our faith is not the reality. In other words, popular perceptions of our faith often differ from the actual practice or meaning. Some have wondered what has been going on for the last 50 years while others speculate about what got us to where we are today. The fact is, over the years and through many generations, the Church has simply been being what it is - *"a living body that grows, changes, and develops while holding onto its rich tradition."* In different periods of time and depending on circumstances, the change has been slow and steady or fast and constant. Regardless, these days we know more about the ancient church than those who actually lived in it. And the Catholic Church has been part of the world for a long, long time. Did you know that the Catholic Church has the longest consecutive government in the world: 2025 years! And even though the Church has been around for 2000 years we are still learning things. In 1945 a library was discovered that shed a lot of light on the early Church. In 1961 the name of Pontius Pilate was found inscribed on a pillar in Palestine. In 1990 the tomb of Caiaphas was unearthed. Amazingly today, we are still learning things! And because we are still learning things, a Catholic cannot look at their brief 40, 50, or even 100 years of experience and say "this is the way it has always been." We have learned too many things to limit the Church to our brief experience. For example, did you know:

- the first pope and others after him did not wear a tiara or live at the Vatican. They resided in Antioch, Jerusalem, and France.
- Mass was not celebrated in either churches or cathedrals for the first 300 years but rather people gathered in their homes. They were known as *"house churches."*
- There were a variety of liturgies for centuries and reception of communion in the form of bread and wine was the norm until the 9th century.
- The Blessed Sacrament was not reserved in the tabernacle and in Church until the 7th century and when it was, it was only to be used for the dying and not for adoration.
- It was in the 8th century that the little white wafer replaced regular bread as the Eucharist.

…to be continued next week…

If this piqued your interest in learning more about our Church and faith then join us for a three-week Adult Faith Formation Series entitled ***"Say what...about the Church!"*** beginning Monday, September 22, October 6, and October 20, at 6:30 p.m. – 8:00 p.m. in the Church Hall. Topics include: *What's Going On?: Understanding Sacraments and Mass; Marriage, Divorce and Annulments, Oh My!;* and *Nostalgia vs. Tradition.*

EUCHARISTIC ADORATION AT ST. PATRICK'S RESUMES THIS WEDNESDAY, SEPTEMBER 3

As we resume our monthly **Adoration of the Blessed Sacrament THIS WEEK on Wednesday, September 3,** there will be a time adjustment to ensure that someone is always present (hopefully, several people), gathered in prayer in front of the exposed presence of Jesus in the Monstrance. **Adoration will be from 9:00 a.m. to 12:00 p.m., followed by Benediction of the Blessed Sacrament at 12:00 p.m.**

During Eucharistic Adoration, we "watch and wait", we remain "silent" in His Presence and open ourselves to His Graces which flow from the Eucharist. By worshiping the Eucharistic Jesus, we become what God wants us to be! Like a magnet, the Lord draws us to Himself and gently transforms us.

Please prayerfully consider making Eucharistic Adoration part of your schedule on the first Wednesday of the month.

ADULT CHOIR, CHIME CHOIR AND YOUTH CHOIR

Anyone wishing to join the bell choir, adult choir or youth choir, please give Joe Spurio a call at the parish office, 330-534-1928. Youth Choir weekly practice will start again on Tuesday, September 9, 2025 from 4:00 to 5:00 p.m. Bell choir practice will be on Wednesdays from 5:30-6:30 p.m. Adult choir practice will be 6:30-8:00 p.m. also on Wednesdays. Practices will begin on Wednesday, September 10, 2025 in church.

Becoming Catholic . . .

O(rder) of C(hristian) I(nitiation) of A(dults)

The Order of Christian Initiation of Adults (OCIA) is the process by which adults seeking answers in their lives are brought into full union with our parish community and the Catholic Church. The OCIA assists in the spiritual journey to learn, discuss and live the faith of the Catholic faith and its practices. If you know of someone…a spouse, family member, friend, relative that has…

- *…been worshipping with us but never officially took the step to become Catholic?*
- *…been away from the Church…and now have returned but want to know more?*
- *…yet to receive the Sacrament of Confirmation or Eucharist?*
- *…joined us from a different background and would like to find out more about the Catholic Church?*

If any of the above applies to you, or if you know of anyone who could answer YES to any of these questions please invite them to consider joining the OCIA journey of faith. Interested in learning more? Please contact the Parish Office.

OUR PARISH YOUTH NEED YOU!

We are currently still staffing our PSR classrooms. We are still in need of an 8th grade aide. Our PSR classes are held on Sundays, 9:00 -10:15 a.m. in the school building.

We will also be forming a young adult team to lead a new ministry called ***Life Teen*** for youth in 7th-8th grades through high school years. ***Life Teen*** has a proven track record for the past 40 years for highlighting the spiritual journeys and struggles of teens, emphasizing the need for authentic relationships, and engaging teens in ongoing formation all through their high school years. We are currently building a young adult mentoring team to facilitate ***Life Teen*** sessions and designing a schedule to include formation, service, and social fun nights.

If you feel that God is pulling at your heart to help our youth in any of these areas of ministry, please contact Karen Bartos for further information.

PARISH COUCIL BEING FORMED — NEW MEMBERS NEEDED

The Parish Council serves as the chief consultative body of the parish to aid the pastor in the administration, planning, and guiding of the parish. The main purpose of Parish Council is to collaborate with the pastor in carrying out and promoting the Gospel message of Christ. A new Parish Council is currently being formed. It will be made up of Parish Ministry Representatives, At-Large Members and Appointed Members. Parish Ministry Representatives are elected or chosen from the various parish ministries and organizations. At present, these include: Altar & Rosary, Liturgy, Finance Committee, Religious Education, Youth Ministry, and Stewardship. At-Large members represent the parish community. Any registered, confirmed, active member of the parish is eligible to serve as an At-Large member. Appointed members are members that are appointed to the Council by the Pastor. *At this time, we are seeking THREE At-Large members for the Council beginning in September.* If you are interested in being considered for this position, or if you would like to nominate someone, please fill out the form below or submit your name for nomination via email (office@stpatshub.org). Those nominated will be notified and selection to the Council will be by spiritual discernment. Thank you for considering this important ministry in our parish. **The deadline to submit a nomination is Friday, September 5, 2025.**

STEWARDSHIP

DEACON JOHN'S STEWARDSHIP COLUMN

Eighteen years ago, an invitation in the bulletin for a first grade PSR aide appeared. I was already bringing both of my children to class, so I thought, "Why not stay and help out?" It took me a couple weeks to call Karen Bartos because I wasn't one to step up and volunteer. I was quite comfortable with my routine of just going to Sunday Mass but the Holy Spirit gave me a nudge and I happily became an aide.

My plan was only to be an aide. There was no way I ever wanted to be responsible for teaching a class. Even though I attended St. Patrick School and went to Mass every weekend, I didn't feel like I knew enough about the Catholic faith to take on such an important role. A few years into volunteering, I discovered God had a different plan for me, and once again, the Holy Spirit gave me a nudge. This September will be my 19th year in the PSR ministry and my 10th year as a third grade catechist! My plan had changed. Somehow my volunteer work has transformed into a vocation doing what God has called me to be and do.

In 2021, after discussing service ideas for the youth of our parish, and taking an online diocesan course on the Beatitudes, I felt a nudge again. SHiNE, the youth service-learning ministry was created. It has been going strong since then with a great group of selfless advisors, youth, and family members working together to be Christ's hands and feet to others.

Being involved with youth faith formation has blessed me in numerous ways. I am thankful to be able to share the Good News with the young people and their families, and help them grow closer to God. It's awesome to be part of their faith journey. I have learned so much about our beautiful Catholic faith as I prepare my weekly PSR lessons or SHiNE gatherings, and I know that God walks with me and guides me as I teach the youth of our church. Finally, I am blessed to realize and experience the importance of Church community. I may be one individual, but together with my parish family we are the Body of Christ working to do all for God's glory.

If you're interested in sharing the faith with our St. Patrick youth, call Karen Bartos and discuss the possibilities with her…you won't regret it.

Peace, joy and blessings~

Lisa Love

SHARING OUR TREASURE

"Rather, when you hold a banquet, invite the poor, the crippled, the lame, the blind; blessed indeed will you be because of their inability to repay you." —Luke 14:13-14

One of the main principles of living a stewardship lifestyle is to give without expecting anything in return. This is difficult for some to comprehend in our "consumerist" culture that we live in. This is even difficult for many parish communities that have become heavily dependent on parish fundraising events to support the mission and ministry of their local parish. Generally speaking, at a parish fundraiser, you pay money and receive something in return, it's just a financial transaction. This is opposed to our parish offertory at Holy Mass, where you unite your sacrifice with Jesus', renewing our covenant relationship with Him.
