Twenty-First Sunday In Ordinary Time

THE POWER OF KEYS

Those keys hanging from your belt are more than just little pieces of metal that can ignite an engine. The electronic entry devices on the lanyard around your neck are more than just plastic cards that gives you access to restricted areas or data.

The passwords you devise are more than just combinations of letters and symbols that enable you log on to any number of computer utilities and apps.

Keys are signs of authority and trust: They give the bearer entry into places others cannot or should not enter. They empower us to use the energy of the engine and the computer and many other tools and devices to create and restore and accomplish important work.

Keys are a means of power and knowledge: To discover the key to mathematics and science is to unlock explanations and solutions to healing and progress for all of humanity.

And keys are investments of trust: To possess the key to a door or machine or portal means we have been entrusted with its responsible use.

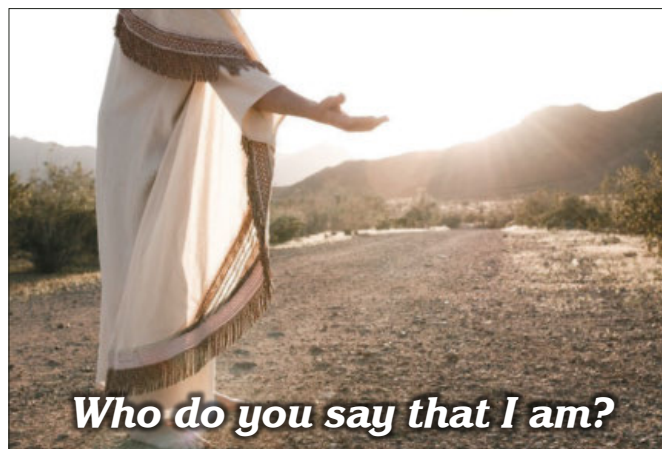

In Gospel times, keys were large, heavy devices carried on one's shoulder. Today, many of our keys are simple combinations of letters that unlock an infinity of data and information. But whatever keys have been entrusted to us are symbols of authority and tools of power to use our access for the good of those we serve, protect and teach.

Christ has entrusted to every one of us the "keys of the kingdom of heaven." The power, trust and authority of those "keys" are given not just to the "ordained" in the Church but to all the baptized. Those "keys" are Word and sacrament, to be sure — but our "keys" may also take the form of forgiveness, generosity, compassion and mercy that "open" hearts and spirits to the mysteries of God's great love for all. With Jesus' authority of service, power of sacrifice and trust of humility, may we use our "keys to the kingdom" to reveal the kingdom of God in our midst.

Dear Friends,

As our summer slips away, we are reminded of how precious each and every day is. With a blink of an eye a season ends and a new one begins. As we begin the month of September and the life of the parish with its meetings, practices, study and classes, perhaps we need to answer the question the good Lord asks Peter today, **"Who do you say that I am?"** As we gather as people of faith, may God open our minds and hearts so that we are not afraid to answer the question, **"Who do you say that I am?"** Not only to answer the question, but we must believe and live our response.

On **Wednesday, August 30 at 5:00 pm** we will have a gathering of the Muscle Club to do some work around the parish campus. The lawn on the portico side of the church needs to be feathered out and grass planted. The chain link fence along the school needs to be painted. Weeds need to be pulled along the church building. As time moves on, we will ask for volunteers to come into our church and get it ready for us to move in. The price for a cleaning company to do that would be huge. I think we would want to do this on our own as we reclaim our worship space. More details will come.

Until we meet again and **gather around the table,**

Fr. Mike

CATHOLIC SCOUTING AWARDS

In the fall of the year Catholic scouts are invited to earn their BSA and USGSA Catholic religious emblem. This is done so that they may have ample time to have those awards presented to them at a Scout Sunday service, a Blue & Gold Banquet or some other unit ceremony.

All scouts are encouraged to seriously consider earning their Catholic religious award this autumn season. These include the BSA's Light of Christ, Parvuli Dei, Ad Altare Dei and Pope Pius XII and the USGSA's Family of God, I Live My Faith, The Spirit Alive and The Marian Award.

For scouts in grades K thru 8th grade these emblems can be earned at home with the help of a parent, grandparent or guardian. For those of high school age the awards are done with a trained facilitator. These classes are being formed now right here within the Youngstown Diocese. By completing the requirements for this emblem the BSA scout is allowed to wear the coveted BSA Religious knot on his uniform Cub or Scout uniform.

For more information on how to earn one's Catholic religious emblem, please contact bobgranchie@sbcglobal.net. It's a great way to combine the Scouting Spirit with the Holy Spirit.

IN OUR PARISH

ADORATION OF THE BLESSED SACRAMENT

As the diocese continues to encourage and promote a "Eucharistic Revival" among the faithful, we, here at St. Pat's will resume our Adoration of the Blessed Sacrament on the first Wednesday of every month, beginning on **Wednesday, Sept. 6, 2023**, after the 8:30 am Mass and concluding with Benediction of the Blessed Sacrament at 5:00 pm. In his most recent Pastoral Letter, Practicing Faith, Hope & Love, Bishop Bonnar reminds us that **"Eucharistic Adoration can also help us find meaning and new vigor to live our lives."** Pope Francis states In The Joy of the Gospel, **"Without prolonged moments of adoration, of prayerful encounter with the word, of sincere conversation with the Lord, our work easily becomes meaningless; we lose energy as a result of weariness and difficulties, and our fervor dies out."**

Please make every effort to be a part of our time of Eucharistic Adoration here at St. Pat's!

FACEBOOK PAGE NEWS

Dear Facebook Friends, Facebook has become a wonderful tool to promote prayer, share our experiences as a parish and to spread the word of upcoming events in our parish, community and diocese. We plan to continue using Facebook as we have in the past. Bishop Bonnar has called social media the "new front door of the church". We appreciate all your reactions, comments and shares of our posts.

A couple of weeks ago, a Facebook user posted a link with a photo of a dark green sweatshirt with the Celtic cross that St. Pat's uses for its logo. This post was located in the comments of all of our recent posts and tagged all those who also commented. Since we monitor Facebook closely, we quickly moved to delete and then block the user who made the post.

Please use vigilance when clicking on links anywhere on the internet. We don't know what would have transpired if the link in question was clicked and we don't want any of our friends to be misled.

St. Patrick Church does not participate in any ecommerce on Facebook.

Thank you loyal St. Patrick Facebook followers,

Fr. Mike

STEWARDSHIP

DEACON JOHN'S STEWARDSHIP COLUMN

On Sunday, September 17th, St. Patrick Parish and parishes across the world will be celebrating **Catechetical Sunday**. This day is so important in the life of the Church because we recognize the ministry of catechesis and those who are called to this ministry as a catechist. We will recognize our catechists at the 11:00 AM Mass as they will be introduced and receive a special blessing in the commissioning service during the Liturgy of the Word. A catechist has the responsibility to teach the Catholic faith and to share the Church's teachings on prayer, sacraments, liturgy, and the life of Christ. Catechists are called to hand on to others what they themselves have received from the Lord.

Parents are called to be the first educators of the faith for their children. It is by their example and practice of the faith that helps the family to be rooted and grow into the faith community. Parishioners as well, also have a responsibility to be a living witnesses in promoting discipleship and building up the Body of Christ. This is the mission of the Church.

I am asking you to step out of the boat and trust Jesus to help the young children of our Parish School of Religion. We need two Kindergarten teachers to complete our 2023-2024 PSR staff this year. Classes are held on Sundays, 9:30-10:45 AM in the school. All resources, assistance, and support will be provided. Please contact Karen Bartos for more information.

Blessings,
Karen Bartos, CRE

PLEASE PRAY FOR VOCATIONS

"Who has known the mind of the Lord?" Through prayer our minds become better aligned with the mind of Christ and His will for us. SHARING OUR TREASURE

"Or who has given the Lord anything that he may be repaid?" - ROMANS 11:35

St. Paul reminds us of a central fact of stewardship. We cannot give God anything - He already owns it all. God made everything, including us. Since we are made in His image, we too, are called to be generous. How we use our God-given gifts becomes our gift back to Him. Gratitude for all we have been given opens our hearts to joyful generosity! And, through our generosity, we just may be the answer to someone else's prayer.

WHERE DOES IT SAY THAT?

THIS CONSTITUTIONAL AMENDMENT...

THREATENS PARENTAL RIGHTS

By using "individual" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

PUTS WOMEN AT RISK

Current Ohio laws* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed. These health and safety standards could be seen as a "burden" and be eliminated, making it even less safe for women seeking an abortion.

ALLOWS ABORTIONS THROUGH 9 MONTHS OF PREGNANCY

In U.S. law,** "health" includes age or physical, emotional, or psychological well-being. This means a woman's age or emotional health could be cited to justify aborting a full-term baby. An abortion-providing physician would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this vote.

ARTICLE I, SECTION 22

*The Right to Reproductive Freedom
with Protections for Health and Safety*

1. Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on contraception, fertility treatment, continuing one's own pregnancy, **miscarriage care**, and abortion.
2. The State shall not, **directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either an individual's voluntary exercise of this right or a person or entity that assists an individual exercising this right, unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.**
3. However, abortion may be prohibited after fetal viability. **But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.**
4. As used in this Section, "Fetal viability" means "the point in a pregnancy when, in the **professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis**"; and "State" includes any governmental entity and political subdivision.
5. This Section is self-executing.
